

FAMILY RESOURCE CENTER OF MISSOURI
@WINDSOR ASSEMBLY

PETTIS JOHNSON HENRY BENTON

These guidelines are per the Family Resource Center of Missouri.

The Family Resource Center at Windsor Assembly will be open on the 1st Monday from 3:00 PM-7:00 PM of every month. Reminders will be shared via the Windsor Assembly Facebook page and there will also be information on the church website. If there should be inclement weather that will result in a closure, you will be notified in both of those places. Please mark your calendar of the open dates as these will be the only days Family Resource Center at Windsor Assembly is open.

-Please use the front doors for entry. Side doors will be locked.

-Some guidelines for families and individuals. There are limits on items per family each month so you will only be able to shop once. The center will carry diapers and wipes consistently. There will be many other items as well, but those items may change based on availability.

-All items are free.

-Your first visit, you will need to either have all children you are shopping for with you OR provide proof of identity. If you choose not to bring your children, some form of identification for the child is needed. Identification that will work are insurance cards, WIC statement, or a social security card. You will only have to provide documentation once. However, if your kiddos are with you, they will be able to pick out a treat or a toy to take home.

-You may only shop for yourself and children only. No exceptions.

-There will be a check in and check out process. Please be patient!

For more information, please visit the Windsor Assembly website:
